

Invitation to the launch of sponsorship 2005 - 2010

Tweed Shire Council - Kenya **MENTORING PROGRAM**

Tweed Shire Council is seeking major sponsors who wish to see an improved quality of life for thousands of people in a Kenyan Community.

The sponsorship aims to attract \$50,000 a year to establish a water and sanitation program in Nairobi initially focusing on the implementation of trade waste regulation and management built around Tweed's policy framework, experience and technical knowledge.

PROGRAM VISION

"To have the Tweed Community embrace a mentoring and support role through a partnership with at least one Kenyan Community."
